CERTIFIED PROFESSIONAL COACH

IAC® Masteries Practitioner

Conducted by Industry Practitioners, this dual Certification programme focuses on developing you as a Professional Coach. You will develop the Coaching Masteries within you and will be equipped to Coach others professionally.

Research shows that Coaching contributes to an increase in personal development, individual performance and business success. Coaching creates a sense of ownership while clarifying one's purpose, goals and objectives.

In an Organisational context, Coaching strengthens your Transformational Leadership competencies which has a positive influence towards employee engagement and talent development.
