21 May 2025.

Dear Dr. Shan Moorthi.

On behalf of the International Association of Coaching (IAC®) and the Executive Committee I have the honor to lead, I extend our warmest congratulations to you and the entire Teamcoach International team.

We are pleased to recognize your institution as the number one IAC-accredited school worldwide in 2024, based on the number of students who achieved the Masteries Practitioner designation—and especially commend the exceptional rate of success on their first attempt. This outstanding accomplishment is a testament to the high standards, dedication, and pedagogical excellence of your school.

As an association committed to elevating coaching to the highest standards of universal excellence, we celebrate Team Coach International for embodying the core values of IAC: lifelong learning, integrity, trust, innovation, and responsibility.

Your impact goes beyond education—it empowers human potential and strengthens the global coaching profession.

Thank you for being a beacon of excellence within our international community. We look forward to your continued contributions and leadership in advancing coaching mastery across the world.

With appreciation and respect,

**Guilian Giuseppe Carlotti.**

President

International Association of Coaching (IAC)
